BOOK DISCUSSION WITH AUTHOR

DR. KENNETH PRICE

Separated Together: The Incredible True WWII Story of Soulmates Stranded an Ocean Apart — Zoom

Thursday, August 12 | 7pm

Before World War II, Abe and Sonia Huberman were two soulmates happily married, living a peaceful life with their family in Warsaw, Poland. But while Abe was away, on a short business trip to America, World War II broke out and the Nazis invaded. Abe was stranded far from home, while Sonia was left alone with their two young children to face the Nazis. This is the story of her bravery, surviving the Warsaw Ghetto uprising, and Nazi death camps, including Auschwitz. What was supposed to be a separation of seven weeks turned into seven years.

Shearith member, Dr. Kenneth Price, speaks on his family's story, his writing process, and what this book means to him. Free to attend, donations encouraged. To purchase Dr. Price's book, please visit Dallas' independent bookstore, Interabang Books, or order online from Amazon. Rabbi Ari Sunshine will lead a Q & A. Details at shearith.org

Menachem Begin: The Battle for Israel's Soul

by Daniel Gordis

Reviled as a fascist by his great rival Ben-Gurion, venerated by Israel's underclass, the first Israeli to win the Nobel Peace Prize, a proud Jew but not a conventionally religious one, Menachem Begin was both complex and controversial. Daniel Gordis's perceptive biography gives us new insight into a remarkable political figure whose influence continues to be felt both within Israel and throughout the world. Discussion led by Bill Katz. RSVP to Katie Babin at kbabin@shearith.org

RABBI SHIRA WALLACH
Women's Torah Study
In-Person and Zoom
Our 5th year of Women's Torah Study begins Wednesday, October 6. We return to the weekly parasha using Dr. Morris Fierstein's new critical translation of the Ze'enah uRe'enah (2018) as our guide. Originally published in vernacular Yiddish in the early 1600s, the Ze'enah uRe'enah combined translation and midrash to create a world of accessible Torah for those who couldn't understand Hebrew. Learn about its particular importance to women's study throughout the centuries and how it challenges us to reframe our relationship with its teachings. Rabbi Wallach looks forward to learning with new and returning students!

To join the weekly email list with important announcements and a copy of the text, email Sarah Katz at skatz@shearith.org

You can purchase a paperback copy of the text at Amazon for \$41.

HAZZAN ITZHAK ZHREBKER

If you've ever watched a musical Shabbat and thought, "I can do that," then join the Shearith Choir! Singing at Shearith is rewarding, exciting, and will lead to incredible friendships. It's an educational and fun opportunity. No audition required. Contact Hazzan Itzhak Zhrebker at cantorz@shearith.org

AVI MITZNER

Avot with Avi
In-Person and Zoom | Begins October 5
Tuesdays after Morning Minyan
Avot – commonly known as The Ethics of the Fathers is correctly translated as The Fathers. What if, rather than presenting a coherent system of ethical living (spoiler: it doesn't), its true purpose was to give us insight into the founders of Rabbinic Judaism, the issues they dealt with personally, and in trying to reshape Judaism after the destruction of the Temple? Join Avi for 15 minutes, every Tuesday after morning minyan, as we look at the stories of their lives and how those stories informed their maxims handed down to us in Avot.

Social Action

The Social Action Committee has been busy!

Support our Healthcare Workers

Thanks to a great suggestion from past-President Shirley Davidoff, Social Action provided bagels and cream cheese, apple/orange juice, and chocolates to the COVID, ICU & ER staff at Texas Health Resources Presbyterian Dallas Hospital in April.

Shavuot Fruit Drive

To evoke the ancient Shavuot tradition of bringing the first fruit of their harvest to the Temple in Jerusalem, Social Action raised funds to bring fruit to The Bridge, a homeless recovery center. This effort was so successful that every other week from mid-May until August we delivered 1300 pieces of fruit!

A Clean Sweep

The Bridge also needed supplies for clients transitioning from homelessness to stable housing. Our team delivered 12 Welcome Baskets, which included cleaning and laundry supplies, kitchenware, and bathroom goods.

Pajamas for Seniors

For low income seniors in nursing and assisted living homes, pajamas are often a luxury. There was a special need for extra-large male pajama sets, and Shearith Social Action bought 80 sets of Hanes pajamas ranging from XL to 5XL. Even better, Hanes agreed to match our donation order and provided an additional 80 pairs!

We love books

Thanks to your generosity, there were many books from an earlier drive. Social Action co-chairs Mindy Fagin and Andrea Solka brought all the extra books to a convenience store in South Dallas. There, a young boy asked his grandma, the owner, if he could start a library for the community! This effort is also supported by MaaPaa.org.

Read more from the Dallas Morning News at bit.ly/DMNbooknook

Supporting the Marom Jewish Community in Uganda

Recently, we told you about the needs in the Marom Jewish Community in Uganda and the special relationship Shearith Israel has developed with this community. When Social Action asked for donations, you generously responded by contributing \$7300 for the food and supply needs caused by the worsening Covid situation. Thank you to everyone who has donated. The donation page is still open at bit.ly/MaromUganda

Knit Blankets for Veterans

Are you a knitter? Social Action and Sisterhood's Yarn Yentas are partnering to help the Jewish War Veterans Auxiliary (JWVA) in knitting lap blankets for wheelchair-bound Veterans at the Dallas & Bonham VA hospitals. Delivery will be in late fall.

Next Social Action Meeting Monday, August 2 | 7 pm

Join us in person or on Zoom to discuss plans for the fall and help put together bags for our High Holy Days Food Drive benefiting JFS! RSVP to Katie Babin at kbabin@shearith.org.

TRAINING INCLUDES:

Active Shooter-Run. Hide. Fight. and Situational Awareness

Active Shooter- Run. Hide. Fight.

Learn techniques to survive an active shooter, posing an immediate threat, by understanding the concept of: Run. Hide. Fight. This course addresses the Run. Hide. Fight. response paradigm and guides non-traditional first responders in various ways these methods can be used. Because active threat incidents can occur anywhere, participants are encouraged to apply principles from this course to plans and procedures in their workplace, synagogue, and other places where groups gather.

Situational Awareness

Learn to increase your Situational Awareness and, the act of being aware of everything that is happening around you. While simple in concept, developing this awareness may be difficult and requires training and practice. You'll learn to spot things that others do not want you to be aware of.
