Mary Anderson recently celebrated her 18th year as part of the accounting staff at Congregation Shearith Israel. As Senior Accountant, Mary has worked tirelessly behind the scenes, and she has played a pivotal role in helping the synagogue continue to maintain financial stability and success. Her dedication and commitment through these many years, along with her willingness to go the extra mile whenever needed, is so greatly appreciated and valued by her colleagues and the leadership. We are so fortunate to have Mary as part of our Shearith team, and we are proud to honor her as our Unsung Hero!

## Thank you to the Federation for their generous support!

Shearith Israel is the recipient of a generous impact grant from the Jewish Federation of Greater Dallas for fiscal year 2022-2023. These important grant funds will help the Shul upgrade the interior spaces at Shearith.

We are so appreciative to the Federation for all they do for the Dallas Jewish community, and are particularly grateful for their continued support of Shearith with funds from this impactful grant.

# THE LADDER PROJECT

Thanks to the ongoing generosity of our congregants, Ladder Project clients are doing well.

Benito and his wife Monica love their Vickery Meadow apartment, which Congregation Shearith Israel completely furnished, and Benito has started his new, full-time job in the maintenance department at Presbyterian Hospital of Dallas; his goal is to save enough money to buy a used car.

Our Afghani family just expanded with the birth of a baby girl. Dad Keramuddin, who is working in food service for Presbyterian Hospital, recently obtained his drivers license and bought a used van with his savings. The family of six will need to move into a three-bedroom house or apartment in June when their apartment lease expires; if any congregant has access to North Dallas housing please let us know.

Wendy, age 56, is a new LP client: After serving on ships for 16 years in the U.S. Navy, Wendy returned home to Plano to care for her ailing parents

and brother. After serving as their caretaker, Wendy lost the family home in 2018 due to liens and medical debts. Unable to pay her apartment rent on a warehouse income of \$10.50/hour, Wendy moved to the Austin Street Shelter in March 2022. We are currently looking for both a job (she is currently working part-time doing CAD drawings for solar panels and recently graduated from an 8-week medical equipment sterilization course) and a North Dallas apartment for her. All of her family's belongings are in storage awaiting a new home.

Please contact Ladder Project's Chair Laura Miller if you have any housing, used car, or job ideas for our clients.

**Congregants will have a chance to meet many of our LP clients at CSI's Hannukah Shabbat dinner on December 16. Please welcome them to the CSI family. They will want to thank you in person for all you have done for them.**

We also welcome our newest Ladder Project volunteers: Danielle Gervis, Joshua Gold, Melanie Morris, Eric Roseman, Olivier and Sandra Sebag, and Bill and Helen Sutker.

**Our youth High Holy Day Camp was fantastic!** Several parents told us that their child did not want to leave shul! We saw kids from religious school and day school form strong friendships, where one 3rd grader told us he was upset that he wouldn't see his new friends for a whole year. However, we will have more programs this year for day school and religious school students to be together and strengthen those friendships.

We were also amazed that close to **200 kids took part** in the camp. Some of the older students went through the camp stations voluntarily with their friends, like answering reflective questions in Yom Kippur Jenga or participating in text studies!

One of the most exciting parts was watching one of our 3rd graders hold the Havdallah candle after Neilah. He was nervous, but so proud of himself!

High Holy Day Camp is a **positive experience** linking our youth and Judaism to learning about the holidays and making sure that **shul is a happy place for all ages.**

Shearith Israel

Each year, the Shearith Israel community rejoices as we welcome our newest and youngest members with a special blessing.

## Look at what we did!

### Back To Shul!

We came together to dance, eat delicious food and reconnect with one another at our western themed shababa. Our lil buckaroos sure enjoyed themselves!

### Annual Edible Sukkah Build

Most people eat dinner in the sukkah, but we created and ate the sukkah! What?!

There's nothing sweeter than our children, especially after eating all of their sugary handiwork.

"I spent ten of the happiest summers of my life as a camper and staff member at Camp Ramah Darom. It gave me an extraordinary sense of belonging, celebration, and connection to the vibrant Conservative Jewish community. I feel so blessed to bring my family to this special place -hopefully for years to come!"

-Rabbi Wallach
