- Ann and Nate Levine Academy

As a student at ATID, you will have the opportunity to participate in large and small group discussions about how Jewish ethics and values help us meet modern challenges.

You will experience the variety of styles and opinions from the Conservative community rabbis and other notables in the Dallas area.

ATID is open any Jewish 11<sup>th</sup> and 12<sup>th</sup> grader in the greater Dallas area.

Judaism isn't meant to just be studied in a classroom. Social action projects and a shabbaton will make the entire ATID experience come alive for you.
